

2024 Tecnorib Pirelli 42

ADRIATIC EXCLUSIVE SALES

STYLE

The PIRELLI 42 lines are the right evolution of the style and philosophy of the maxi rib PIRELLI designed by the Mannerfelt Design Team. Sportiness and clean lines give it a unique elegance that can charm anyone.

ERGONOMICS

The PIRELLI 42 has been designed in every detail to ensure a comfortable and relaxed life on board. The wide bow sunbathing area offers comfort and safety for those who want to enjoy the sea in its entirety, while the cockpit is equipped according to the requirements of the owner and allows to accommodate many guests in complete comfort.

DESIGN

Born from a process started with PIRELLI 1400, the PIRELLI 42 design combines personality and character. The walkaround layout privileges the open spaces, from the surprising living area to the bow sofa.

INTERIORS

The inner spaces are the result of a search to meet the demands of the owner, with the aim of making the most of any space offered by PIRELLI 42. Elegance, luxury and convenience are the terms that best describe the result obtained by this process.
