

2023 Azimut 68

ADRIATIC EXCLUSIVE SALES

The starting point for its design was a comprehensive analysis of all the various ways owners and guests pass their time on board, taking into account variations in lifestyle habits and preferences across different markets. The result is yet more freedom, but this time, the freedom of boat owners to choose the layout that best reflects their idea of how to make the most of their onboard experiences.

DESCRIPTION:

Length
20.98 m

Draught
1.60 m

Beam
5.23 m

Engine
2x Volvo Penta D13-1000
(IPS1350) 735kW

TEHNICAL SPECIFICATION:

Built year: 2023

Water tank: 1000 l

Fuel tank: 3700 l
