

2025 Azimut Grande 26M

ADRIATIC EXCLUSIVE CHARTER

Conceived to give life to the extraordinary, the Grande 26M is another innovative masterpiece from Azimut, premiered at the Cannes Yachting Festival in September 2022. A fluid layout made of multiple levels empowers and frees the senses while encouraging an intimate discourse with the surrounding sea, such as the cockpit area, which may be expanded to create a luxurious leisure terrace.

Strategically-designed spaces grant complete privacy, suggesting a superyacht-inspired sophistication.
