

2024 LOMAC GRANTURISMO 12.5

EXCLUSIVE SALES

The Lomac GranTurismo 12.5 is a high-performance luxury RIB that perfectly combines sporty performance, elegant Italian design, and premium onboard comfort. Built in 2024 and powered by twin Mercury 400 V10 engines with JPO, this vessel offers exceptional handling, power, and maneuverability. With carefully selected materials, advanced Garmin electronics, and refined finishes throughout, it represents an outstanding opportunity for those seeking a stylish and capable day cruiser.
