2027 PIRELLI 44

Every proportion of the PIRELLI 44 is guided by a precise idea of performance, control, and versatility. Its lines, surfaces, and details define a sporty, dynamic model designed to adapt to different needs.

PIRELLI 44 is built to leave its mark, with a bold presence, dynamic proportions and an immediately recognizable design.

LENGTH
13.51m

ENGINE
3 X Mercury V425 JPO V10

2027 PIRELLI 44

Open, airy and versatile, the PIRELLI 44 interprets its spaces with flexibility, adapting them to different ways of enjoying life at sea while offering comfort, conviviality and freedom of movement.

The large sunbathing area and the bow lounge create an open and welcoming environment, while the face-to-face configuration at the stern completes a layout designed to make every area of the boat feel natural and effortless to enjoy.
